Investing in our parks!

GOLDEN ANCHOR

The front phase of the park has been completely redeveloped with new caravan bases, individual parking spaces, upgraded roads, modern underground infrastructure, beautiful landscaping and striking new entrance signage.

PINE TREES LEISURE PARK

has benefited from a redeveloped entrance featuring illuminated walls and gates, alongside a complete programme of new directional signage throughout the park, making it even easier for owners and guests to find their way around.

These latest improvements reflect our continued commitment to investing in our parks and enhancing the experience for everyone who chooses Blue Anchor Leisure.

Supporting

MISSION CHRISTMAS
cashforkids

AN AMAZING
£67,000+
RAISED TO DATE

DONATE NOW!

Together with our owners, team members and local businesses, we've raised an incredible £67,000+ for Cash for Kids to date, helping to support children and young people across our region.

Mission Christmas is one of our favourite annual fundraising events. Every year, we help fill the Stagecoach and Hits Radio Mission Christmas bus with new, unwrapped gifts donated by our owners, local businesses and team members to help ensure local children have something special to open on Christmas morning.

We're now collecting donations for this year's appeal. Gifts can be dropped off at the Seaways Office, Golden Palm Resort Reception or Towervans Park Office. Every donation helps make Christmas magical for a local child.

Charity 3-0 Football Match

AGAINST FANTASY ISLAND

Our annual Charity Football Match against Fantasy Island once again brought colleagues, holiday homeowners and the local community together for an evening of football, fundraising and friendly rivalry, all in support of PASIC - Cancer Support for Children and Young People and Cash for Kids.

On the pitch, Blue Anchor Leisure retained the trophy with a 3-0 victory. More importantly, thanks to the incredible generosity of everyone who attended, donated and supported the event, together we raised **£1,005** for our chosen charities.

A huge thank you to everyone who helped make the evening such a success. We can't wait to do it all again next year. Keep an eye out for the **2027 Owner Activity Calendar** at the start of next season for details of next year's match.

Kinga & JJ take on a 20,000FT Skydive!

15 August 2026

Two familiar faces from our parks are about to take on their biggest challenge yet! On **15 August**, Kinga from Golden Palm Resort and JJ from Seaways will be jumping from an incredible **20,000 feet** at Hibaldstow Airfield to raise money for **Cash for Kids**, supporting children and young people across our region. It's a huge challenge, and they'd love your support.

Simply scan the QR code to make a donation and help them reach their fundraising target.

Good luck, Kinga and JJ
we'll all be cheering you on!

ANNOUNCEMENT

We are now the proud home of:

Carnaby Caravans in Lincolnshire

Seaways is now home to our exclusive Carnaby Showground, making Blue Anchor Leisure the only dedicated Carnaby showground in Lincolnshire.

Explore the region's largest selection of Carnaby holiday homes, including the Bayview, Langham, Silverdale and Oakdale.

Whether you're planning an upgrade or simply want to see the latest models, you're always welcome to visit and take a look around.

Owners info!

POLITE REMINDER - Plastic Storage

Our site licence conditions do not permit plastic storage units on our holiday parks. To ensure we remain compliant with these conditions, all plastic storage must be removed from pitches where present. We appreciate your cooperation in helping us meet these requirements.

ACCOUNTS

To help us prepare for the 2027 season, please ensure your 2027 Annual Licence Agreement has been completed and returned to the Accounts Department, together with your proof of address, by 1 March 2027.

UTILITY BILL UPDATE

We've listened to owner feedback and will be introducing a new billing schedule for gas and electricity from October 2026. Meter readings will be taken and invoices issued twice a year, in May and October, helping owners to manage their utility costs more easily throughout the season.
