news from

Our Blue Anchor Leisure team has been working hard during the closure period to prepare Pine Trees Leisure Park for opening. While planning permission for our lake transformation took longer than expected, our team are working hard to create a relaxing retreat for owners to enjoy this summer!

We have completely renovated our holiday accommodation, including new electrics, plumbing, drainage, furnishings, appliances, and are ready to welcome our first guests. As well as our refurbished holiday cottages and static caravan holiday lets, we will continue to offer touring facilities on site. As we continue to upgrade our owners' facilities across the holiday park, Pine Trees Club now has brand new seating and tables throughout! Additionally, there is also an updated entertainment schedule featuring live entertainment, kids' entertainment, and owner events taking place on the park this year!

MISSION CHRISTMAS!

cashforkids

We were proud to support the Cash for Kids Mission Christmas Campaign again this December ensuring every child woke up to a gift on Christmas Morning. Thanks to the support of our owners, visitors and contractors we were able to fundraise a total of £12,619 this year alongside filling both the bottom and top deck of the Mission Christmas Bus with dozens of presents!

This cause is a special one for us with numerous staff involved in the fundraising and gift giving process. As we head into the 2025 season, we would like to remind you that all our FREE owner's events fundraise for this fantastic cause and encourage you to donate where possible.

Our Golden Palm Resort Arcade will again be taking donations of all unused prize redemption tickets which are collected and used at the end of the year to purchase additional gifts for the children

Arthur O'Connor
The King!

If you would like to know more about Arthurs journey you can follow Arthur's progress on his GoFundMe page.

During our welcome back parties last season, we raised funds for 5-year-old Arthur O'Connor, who was diagnosed with a brain tumour that spread to his spine. Thanks to your generosity, we raised £2006 for him and his family to assist with living and transportation costs. We are pleased to let all our owners know that Arthur's treatment has been completed and he recently received the news that his MRI is clear!

On another note a huge thank you to the little girl who won the giant monkey teddy at Woody's Welcome Back Party Raffle. She asked us to gift it to Arthur after being touched by his story, and as you can see, he loved it!
